## Reminders:

1. If you cannot give lab meeting on your scheduled day, it is your responsibility to find a replacement and notify the lab manager about the switch.
2. The only way you can skip your turn is if a completely unavoidable situation arises (The rare Boston earthquake, contraction of the mumps, etc); otherwise you should be ready to give lab meeting on the day posted.
3. You have the option to do a journal club presentation every other lab meeting. If you are eligible to do this, you will see "(JC Eligible)" next to your name. If you are doing a journal club presentation, please let me know as soon as possible so I can add this to the list.
